

Bolinas Stinson Union School District

The Bolinas-Stinson School will be inviting students who live within the district's boundaries but who are enrolled in home school or other private schools to participate in art and /or music classes at the Bolinas school campus during the regular school day.

This offering is a pilot program that will run through December 2018 and may be extended by a Board decision if the program is deemed to be successful.

Program details:

- Non-enrolled students with authorization from their parents or guardians may sign up for art and music classes by filling out this agreement.
- Guest students will be placed in art classes based on the grade level they would be in according to their age.
- Guest students will be expected to attend all art and music classes scheduled for the term of the agreement. (Not a drop-in program)
- Guest students will not participate in other classes (Language Arts, Math, Science, Social Studies and Physical Education.)
- Guest students will not participate in ancillary programs and school services including the lunch program, field trips, bussing, etc.
- The Bolinas Stinson Union School District may discontinue the program or remove any student from the program without cause at any time.

Guest Student requirements:

- Must reside with District confines
- Provide the same proof of vaccination as is required for school enrollment.
- Abide by all school rules including attendance and punctuality rules. Guest students who violate school rules will no be allowed to continue to attend classes. (School rules attached)
- Sign in at the office before going to class and sign out when leaving.

I have read the attached school rules and will abide by them.
